Additional information

The weather: it is the end of spring. It can get warm during the day however the evenings are cool. For the August departure the weather is similar: generally warm days with mild nights. We recommend light, comfortable clothing, a light jacket with your favourite walking shoes. We do not place age limitations on the tour and welcome anyone with a moderate level of physical fitness. It is important to note that the

countryside is undulating and hilly. Many hill-towns have their historical centres closed to traffic and therefore lots of walking is required. Be expected to spend a few hours a day at a time on your feet with breaks for sightseeing, coffee and a taste of the local produce.

The program appears to be full; however, it is mixed with long restful lunches and leisure time for your enjoyment and comfort.

If you need to, you can always take time off from the organised program.
